"I love travel." 如果你很喜欢某样东西，可以说"Be fond of","I like" "Shes fond of Chinese food." "I like swimming very much." 如果你喜欢某样东西，可以说"I like..." "He quite likes going to the cinema." "I like cooking." 如果你既不喜欢也不讨厌某样东西，可以说"I dont mind..." "I dont mind doing the housework." "I dont mind walking to work." 如果你不喜欢某样东西，可以说"I dont like..." "She doesnt like cooking very much." "I dislike wasting time." 如果你很不喜欢某样东西，可以说"I cant bear...","I cant stand...","I hate..." "I dont like sport at all." "He cant stand his boss." "She cant bear the noise from the street." "I hate being disturbed when I am working." "He detests being late." "She loathes celery." 记住：Dislike这个词比较正规，Fond of多用于和别人谈论食品。而一般用like的话，则要跟名词或动名词，如:I like something or like doing something. very much 或a lot这类副词要跟在名词后面。如：For example, "I like reading very much", 不是 "I like very much reading". 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
