Englishman A strange thing happened in London recently. A large number of Englishmen started roaring and eating food off the floor. They were behaving like a pack of lions. No , they weren ' t going bananas. They were normal people like you and me. But they watched a "therapist" on a daytime TV show. They were convinced by him that roaring is good for you. "Roaring helps people who are uptight to relax , " he said. The "therapist" turned out to be a hoaxer. He goes around the world playing tricks on people. It ' s all for fun. So if you don ' t want to feel like a fool , watch out ! You can ' t always believe what you see , read or hear. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
