's In the old days , going to the barber 's was as simple as ABC. You sit down , the barber cuts your hair , you pay , you leave and that 's it. Nowadays , the hairstylist will ask you how you would like your hair done. How on earth do I know ? I 'm no barber. So what do I do ? I go to the same guy all the time. As soon as he sees me , he says , "Same as before ? " I reply with a smile , "Yes , please." In twenty minutes the job is done. For those of you who don 't know what to say to the barber , just remember the two S 's short and simple. When I was abroad , it always worked. Don 't forget to give the barber a tip before you leave , though. It 's their custom. If you don 't , make sure you don 't go back or you might get something else cut as well. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
