Are you a good dancer ? If you arent , you wont stand a chance. Traffic cops in Thailand dance as they direct traffic. These cops are good entertainers. They twist and turn and make fancy movements with their white-gloved hands. Everyone agrees they help ease tension on the roads. And because they make people smile and feel happy , the image of Bangkok policemen has improved by leaps and bounds. As a result , motorists have become more cooperative and understanding. Odd as it may be , it seems to work. Dont forget to also keep your eye on the road , though. If you dont , you might cause an accident. You can be sure the cops wont be dancing then. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
