Of all the animals of the Chinese horoscope , the dog really stands out. Which other animal can compare to the dog ? The horse ? No , he ' s always horsing around. The monkey ? No , he ' s always monkeying around. The dog is a loyal companion. He makes us feel safe. He helps us keep thieves out of our homes. The dog has also helped us with our English. For example , if there were no dogs , how could people complain about leading a dog ' s life ? And how could the weatherman say , "It ' s raining cats and dogs ? " The dog is truly man ' s best friend. So the next time a dog lifts a leg to your car , don ' t get angry. Just let it obey the call of nature. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
