82. Being around Nature  
Ruby is trying to get her friend , Tony , to go bird-watching with her.  
R : You really should get some exercise , Tony. Why don ' t you come bird-watching with me this weekend ?  
T : That sounds boring. What ' s bird-watching all about anyway ?  
R : Bird watchers study birds in their natural surroundings. It ' s a great hobby.  
T : What ' s the fun in that ?  
R : We enjoy listening to different birds sing , looking at them fly and watching how they behave.  
T : What else ?  
R : Well , it ' s also relaxing to be around nature. And walking in the mountains helps keep you fit.  
T : Nothing ' s more relaxing than watching TV in my air-conditioned room.  
R : You ' re hopeless !  
T : And you ' re birdbrained !
