Traveling by plane is exciting , but it can also be very tiring. There are so many things to be done. You have to pay the airport tax , check in your bags and then get to the departure gate. So it ' s best to arrive at the airport at least two hours before your plane is scheduled to take off. When you check in , the attendant will ask you to show her your passport , ticket and airport-tax receipt. After you have done that , she will weigh your luggage. If it ' s overweight , you ' ll have to pay an extra fee. Then she will give you your boarding pass. On your way to the gate , don ' t pass up the chance to buy something at the duty-free shop. Things are a lot cheaper there. The key is to give yourself plenty of time and everything should run as smooth as clockwork. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
