Grave Two students , Beth and Carl , are talking about the red-haired mummies. B : Can you imagine what it was like 4 , 000 years ago ? C : Thats hard to imagine. But if the mummies could speak , they could certainly tell us a great deal. B : Well , that , of course , is impossible. But scientists can tell a lot from the things the explorers found. C : I know. For example , they think the 4000-year-old mummies were Celts. B : Who were the Celts ? C : They were ancient European people who settled in Britain even before the Romans existed. B : Wow !
