Two Australians , Mack and Jill , are camping on Kangaroo Island. M : Look ! There ' s a koala hugging a tree. They ' re really so cute. Jill , why are you crying ? J : The government ' s planning on killing them because they may starve to death soon. M : What a stupid idea ! They should try saving them instead. J : I agree. Let ' s start a campaign to save them. If we can find 5 , 000 people to each take one home. The problem will be solved. M : That ' s a good idea. You know , there ' re about 18 million people in Australia. Five thousand is only 0.027 percent of the population. J : Let ' s do it then. M : Killing as a solution to a problem is just not right. J : You can say that again. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问
