A Very Special Juice and the Golden Fountain are the titles of two books. They have sold hundreds of thousands of copies. Can you guess what they are about ? They are guides to urine therapy. Don't laugh ! Urine is big business these days. There's an annual market of US\$500 million for products made from urine. "It's a great aftershave , " says one consumer. It's even used in many skin creams and perfumes. Besides , it is widely used as a kind of medicine. Believe it or not , a lady in America says she drinks a glass of urine a day. At this point , you must excuse me ; I have to go to the restroom. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
