You ' re walking along the street. You need to go to the washroom desss.....perately. What do you do ? If you can ' t control yourself , you could be embarrassed to no end. Don ' t worry. Someone in San Francisco has invented a self-cleaning public toilet. The toilet cleans itself. The seat goes back into the wall where it is washed and blow-dried. Even the floors are washed automatically. You must be quick , though. You ' ve only got 20 minutes to "do your business." Then , there ' s a 2-minute warning before the door opens. When it does , you ' d better be ready or your face will be red ! 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
