? Steve is chatting with his sister , Diana. S : Gee , Diana , you ' re always at home. Don ' t you have any friends to go out with ? D : Sure , I do. But all my friends are either out shopping or they ' re boring. And you know I hate shopping. S : Get a boyfriend. I ' m sure you won ' t be bored then. D : Actually , I want to meet some interesting guys but I don ' t know how to. S : Why don ' t you try E-mail ? You might get lucky. D : I don ' t think so. Besides , dating through e-mail is neither personal nor romantic. Why don ' t you introduce me to some of your friends ? S : Why didn ' t I think of that ? How about my best friend , Fred ? D : Uh... maybe I ' ll be better off with e-mail. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
