Though it is generally accepted that junk food is not healthful , American fast-food restaurants are popping up all over the world. These restaurants are for people who are always in a rush. If they don ' t have time to sit down to a regular meal , they race over to the nearest McDonald ' s. There they can quickly satisfy their hunger. Because Americans like things done immediately , they often order their food quickly at fast-food restaurants. They say , "A burger , fries and a coke ! " though it ' s not polite , it ' s efficient. So when you are in the States , try to order this way. After all , in America do as the Americans do. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
