Martin and Sally have just watched Thai Boxing. M : How did you like the fight , Sally ? S : I found it not only too violent but also very brutal. M : You ' re right. It ' s amazing how the fighters can take not only the punching but all the kicking as well. I wouldn ' t be able to handle it. S : Oh , don ' t be so modest , Martin. M : No , really. I wouldn ' t fight one of those tough guys for all the money in the world. S : Would you do it for a kiss ? M : That ' s a different story. Sure , I will. But you ' ve got to pay in advance.

(Martin tries to kiss Sally.) S : No , please don ' t. I was only kidding. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
