a land of history and culture. And as we all know , the ancient architecture there is breathtaking. Just as we Chinese are proud of our history and culture , so are the Italians. One of their traditions is to enjoy a long midday meal. This lengthy lunch can last up to four hours ! As you can imagine , after all the eating , drinking and chatting , they need to take a nap. Well , this custom may be great for the stomach , but its not so great for getting things done. If you happen to be in Italy , dont be surprised if you have to wait for a long time for the banks and post offices to open. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
