Stars I remember when I was a young boy , life was tough. My parents made me do many things for them. For example , they had me do the laundry , the dishes and the house cleaning. They even got me to work part-time to help with the family expenses. If I was naughty , they would spank me. They would not let me go outside the house for days. Nowadays , life is quite different for kids.

Parents can ' t force them to do anything. On the contrary , it seems as if children can get their parents to do anything for them.

Parents and teachers are even afraid to spank children for fear of being sued. It amazes me , therefore , whenever I hear youngsters complain. Instead , they should be thanking their lucky stars.
