Exchange When you go abroad , whats the thing you need most ?

Money , of course ! Youll need to go to the bank to buy some

travelers checks. Then when you arrive at your destination , youll

have to go to a bank to cash the checks. Every bank has a foreign

exchange department. However , youll have to speak with the teller

in English because he or she will probably not understand Chinese.

You should , therefore , brush up on some of the words and

phrases that are commonly used when changing money at a bank.

For example , you might want to know what the days exchange rate

is , or if there are any handling charges , etc. worried ? Dont be.

Our next lesson will give you a good idea of what you need to say
