It goes without saying , therefore , that we spend a lot of our free time at the beach. We go there to relax as well as to keep fit. To be frank , though , he no less than I enjoys looking at the beautiful "scenery" around the beach. However , if you are anything like us , we have a piece of advice for you. Don ' t forget to rub a good amount of sunscreen lotion all over your body. Not only does it protect you from getting skin cancer , but it also helps to keep you nicely tanned. Both my brother and I forgot to do that and now we look like Afro-Americans rather than Chinese. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
