Although the ' ê ' sometimes sounds more open (' ay '), the circumflex still denotes that it should be a close pronunciation. Listen carefully to a native speaker the sound is like a cross between the ' ea ' of ' ear ' and the ' ai ' of ' air

' . The same is true of the words ' Inglesa ' . ' Portuguê s ' . and
 ' Portuguesa ' . I am learning to speak Portuguese Eu aprendo a falar
 Portuguê s Ayoo aprendu a falar Portoooge[a]ysh I am English Sou
 Inglê s Soh Ingle[a]ysh only said by males Sou Inglesa Soh
 Ingle[a]yza only said by females I am Portuguese Sou Portuguê s Soh
 Portoooge[a]ysh only said by males Sou Portuguesa Soh
 Portoooge[a]yza only said by females I am from England Sou da
 Inglaterra Soh da Inglaterrrra lit. " I am from the England " I am
 from Portugal Sou de Portugal Soh de Portugal they don ' t say
 ' from the Portugal ' (like they do with England), just ' from
 Portugal ' (like we do). Most other countries of the world require
 ' from the ' (' do ' or ' da ' depending on the gender of the
 country see section on nouns below) Where are you from? De onde
 é ? Di-yondi-yeh? in England na Inglaterra Inglaterrrra lit. " in the
 England " in Portugalem Portugalaym[ng] Portugall I am from
 London Sou de Londres Soh de
 Londresh Sorry! Desculpe! Deshculpe! I am sorry Lamento Lamentu lit.
 " I lament " . Peccedil.a Com[ng] lissensa lit. " with permission " . I
 dont understand natilde.oentow[ng] lit. " then " , but used
 frequently in places where English would say so, or right then. you
 (singlular) você vosseh A formal way of addressing someone (in
 Brazil they use você informally as well). o senhoroo senyor lit.
 " the gentleman " a senhoraa senyora lit. " the lady " Note, the
 Portuguese generally speak more formally than the English, so
 although referring to someone as the lady or the gentleman would
 sound rather pompous to us, it is quite common in Portuguese.

Senhor/Senhora can also mean sir/madam, Mr/Mrs (' Miss ' would be ' a menina ' , or ' Senhorita '), or Lord/Lady. Ieuayuheelele - the first e is very close, almost like an English i, whereas the second e is barely audible (so it sounds almost like you are saying ill). sheelaelaCom licenatilde.o is a very useful word for linking to a new subject without appearing too abrupt.
