Question 47 (Sample for reference) After careful survey, we can see
clearly from the chart that our cars have more models and colours
than those of Quaker Company, our main competitor with higher
quality. However, Quaker Companys income increases more
quickly. What is the reason? First , Quaker Company spends much
more money in advertising. I suggest we advertise on BTV, the most
popular broadcasting station nowadays. Secondly , we should
enlarge the scope of our after-sales service. We can open more
service stations in many medium-sized cities. Thirdly ,if we have
more money, We can hire more salesmen to sell cars directly to the

customers, especially, more salesmen in medium-sized cities. 100Test
