Now, first of all, what items do you think should be included here?B: Well, as we know, they are here to investigate a possible long-term cooperation with us. So, the first thing Monday morning is to take them for a tour around our company. We should show them the best part of our company, particularly the office computer management system.A: Yes. But perhaps we should first give them a chance to see the video profile of our company before showing them around and that would give them a better idea of our unique way of operating our business.B: That ' s great. I totally agree with you on that. What are we going to arrange for Monday evening? Theatre, concert, or restaurant?A: Oh, well. From the information we have gathered, they are people of very well cultured background, how about giving them some taste of Peking Opera at the Capital Theatre?B: I do not disagree, but I am afraid it shouldn ' t be too long for that. There are other things I would want to bring to our attention. I mean we need to take cultural differences into consideration. I don ' t think we can expect them to sit out a two hours performance that they understand practically little.A: Maybe we can arrange for half an hour of Peking opera before we take them for a late night dinner.B: Alright. That ' s settled. But where do you think we should take them to for the meal?A: We

should choose one of the best restaurants along the busiest street in this city where they could experience the hustle and bustle of this city. B: But there ' s something else that I want to note here. I think the British are generally rather reserved people. I am afraid they would prefer not to have a too noisy and busy place for dinner. A: That ' s a good point. In this case, we should book a room in a quite distinctive restaurant where we could have more privacy and at the same time enjoy the local food. B: If there is no further question, let ' s get down to our preparation right now. 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 www.100test.com
