it very much if you could arrange for me a meeting with your delegation leaders. You see, its my sincere desire to establish business relations with these corporations. Wang: Certainly. I think its also

their hope to start business with you. Jack: That sounds encouraging.

When do you think you could arrange the meeting? I find myself a

bit too anxious for it. Wang: Dont worry. I shall certainly do it to

your satisfaction. Ill first let them know of your intention. And then

Ill make arrangements for you to meet each of them separately. Jack:

That would be terrific. 参考译文：杰克：如果你能安排我和你们代表团领导见面，我将非常感激。你知道，我真诚希望和
