RICHMAN RING International Movers Our ref: F/2/J 21st March 1998 For each question 21-35, mark one letter (A, B, C or D) on your Answer Sheet. Dear Mr. Ratanara, Re: Removal of business equipment from Singapore to Hong Kong Thank you for your telephone enquiry. I am (example) to provide you with the quotation that you requested. 21 addition to this, I am including further details of our service. The price is 22 on the items that you mentioned in your phone call and will, of course, vary if you decide to add extra items or 23 some. In order to keep the cost as low as 24, we will move your equipment when it is most convenient for us. We will try to 25 your move with those of other clients who ask us to transport goods at around the same time. I am sure you will 26 that if we were to make a special trip just for your equipment the cost would be much 27. This means that 28 you requested a move on 23 June, this precise date may not be possible. However, we regularly transport goods 29 Singapore and Hong Kong, and we would 30 to be able to move your equipment within two or three days of your requested date. The 31 does not include packing. I understand that you prefer to 32 out your own packing since 33 of your equipment is

quite fragile. I hope that these initial details meet with your 34 ,
and ask that you do not hesitate to 35 us if you require any
further advice. Yours sincerely, Dave Ring
