WestonWord Processing SupervisorABC CompanyPost Office Box 107228 King ' s Street LondonDear Ms. Weston,Performance of the CPT EquipmentI ' m Pleased to tell you about our experience with the CPT Word Processor as you requested

recently_____example_____ I assume you have looked at several machines and have narrowed down your choices.Here are my

observations.An approach to adopting word processorsEighteen months ago we adopted CPT equipment on limited scale with the idea in mind that we could gradually get rid of electric typewriters as we became familiar with the word processor. _____8_____ The

stations are actually in pairs so each pair can share a common printer _____9_____ We use the equipment as dedicated word processors,

although we do have the ability to link up with our computer installation.The step-at-a-time development of our word-processing center has, we think, saved us money and training time.

_____10_____ PerformanceIn terms of performance, the CPT equipment is excellent. _____11_____ Moreover our service contract

and warranty have covered all maintenance costs. We have software packages that check spelling and signal when a mistake occurs.

_____12_____ Using both printers, we recently prepared 1200 individually typed form letter mailings a under four hours. We have no complaint about our preparation of executive reports. Example: IA. So it works very well and has so many different functions. B. Also it has reduced the confusion that exists about buying software packages. C. The train stops at each station for only fifteen minutes. D. We began with two work stations and now have four. E. Our routine letters are prepared from disc-stored masters. F. The Rotary W printer with a speed of 45 characters a second can easily handle two input stations. G. In contrast, its size and weight are ideal for carrying. H. We have not yet experienced mechanical problems so far. I. We are pleased with its performance and multi-functions. 8. D 9. F 10. B 11. H 12. E 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
