Thank you for your fax of September 11. We are pleased to inform you that we have been able to secure the vessel you asked for. She is the SS Bohai and is docked at present in Lianyungang. She has a cargo capacity of eight thousand tons, is a bulk carrier, and has a speed of 24 knots which will certainly be able to make the number of trips you mentioned. Please fax us to confirm the charter and we will send you the charter party.
