I cannot believe that I have been selected as this years recipient of the Award for Outstanding Performance. When I was informed of the announcement of my nomination , I couldnt believe my ears. In fact , I am still not sure if I really deserve this honor , because I know many of my colleagues who work harder even with a greater dedication than I do. I believe they also deserve this award , and I think I happen to represent them in accepting this award. Through thick and thin , they have always been my precious team mates , adviser , and above all , friends. I want to take this opportunity to thank them all , and want to share with them the pleasure and honor of receiving this award. Thank you very much , and Ill be trying my best to contribute to further growth of our company. 如果是正式的得奖感言，以 Ladies and gentlemen 来做开场白为宜。若属气氛随和的聚会，就要因场面不同而选不同的说法，这点请注意。来源：考试大 Notes：through thick and thin：同甘共苦中过来的来源：考试大 deserve this award：堪当此奖 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
