employees invited tonight , I would like to extend our congratulations to President and Mrs. Johnson for the twenty-fifth wedding anniversary. Twenty-five years seems like such a long time , especially to a man like me who got married only recently. I seriously wish I would be able to learn from President and Mrs. Johnson about the secret of having a happy and enduring marriage. Customarily , a gift of silver is given on the twenty-fifth anniversary. We observe that custom , and would like to present a pair of silver jeou ' cups to honor your marriage. with these cups , Im sure your marriage will always be in a high spirit来源 : www.examda.com
