As a regular who goes to the university library ' s newspaper room , I have discovered that many students like reading newspaper in English , especially China Daily. The reason that China Daily is popular among students is not difficult to explain. A major characteristic of China Daily is the conciseness of its articles. Most of the articles are brief , clearly written and informative. Many students are busy with their studies and don ' t have much spare time. However , by reading China Daily , readers can get up-to-date news about China and the world and enhance their reading capabilities at the same time and , more importantly , it doesn ' t cost them a lot of time. In this sense , China Daily is providing a sort of " fast-food " to its readers. Furthermore , China Daily also helps its readers improve their writing skills. For those students who find English compositions difficult , articles on China Daily serve as perfect examples. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
