The exercises begins with two examples , (0) and (00) . Examples 0 CORRECT 00 THROUGH BUSINESS MANAGEMENT 0 Many organizations are seeking to take advantage of flatter management 00 structures by moving through to self-managed teams. In our experience, these 34 teams produce us very impressive results. However, as the companies 35 we work with can tell to you, they are neither a 'soft option' nor a 'quick fix' . 36 self-managed teams operate in dramatically different ways from the other 37 teams and they can only succeed in if the organizational culture, along with a 38 number of systems and procedures, are been re-shaped. Thus, changing to 39 self-managed teams requires not only most top level support but a clear 40 understanding of the concept which at all levels. Often staff who find themselves 41 at the lower levels of a traditional structure imagine that by operating in self- 42 managed teams simply means by that they will be free to do what they want 43 without having to be obey the orders of upper management and this simply is 44 not the case.

One of the most important areas we address with our clients 45 is the need to re-educate staff with a regard to the practical meaning of the Word ' team' . Such re-education is required from shop floor to board level.   34 US 35 TO 36 THE 37 IN 38 BEEN 39 MOST 40 WHICH 41 BY 42 BY 43 BE 44 CORRECT 45 A
