There are different ways of reacting to other peoples opinions , depending on how well you know the person and whether you agree or disagree. If you want to agree with someone you can say : -Thats exactly what I think. -Thats just what I was thinking. -In my opinion , office workers are not paid well enough. -Thats a good point. -I agree entirely. If you want to disagree with someone : -Quite right , I couldnt agree more. -Yes , Im all in favour of that. -Well , my opinion for what its worth..... -I can see what you mean , but -I dont think so , because..... -I dont think its a good idea..... -Maybe , but dont you think..... ? -Thats true , but on the other hand.....
