Nowadays many people consider bonus a form of salary. Of course, how many bonus you can get depends on your performance in the company. Traditionally, bonuses have depended on company performance. I think the bonus is actually a salary extension now. We always get a quite handsome bonus every month. Thats amazing youve got so much bonus. I need the bonus very much. My bank accounts overdrawn. The boss said that hell cut my bonus if I dont work harder. Ill buy my family a present when I get the bonus next week. Many shops have bargain sales during the bonus season. He quit his job just after he got his bonus. What is the bonus like at other companies? I dont think the bonus is something to get excited about. Therere different fringe benefits in different companies and different countries. In our company we get our bonus at the end of the year. Being thrifty is not the same as being a miser. He likes to calculate peoples salaries and bonuses. Ill pay for it in lump sum with my bonus money. If we offer the best rate of pay for the job, no one will turn around and say theyre leaving because of money. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
