At that time, he saw a little girl crying by the roadside. A policeman saw her, came over and asked her why she was crying and where her house is. When he learned that girl had got lost and she was then looking for her mother, he decided to lead the girl to be back home. Seeing this Li Ming thought the little bird also had its mother and he should set the little bird free so that it could be with its mother again. Then Li Ming untied the thread and returned the little bird to the blue sky.来源: www.examda.com 100Test 下载频道开 通,各类考试题目直接下载。详细请访问 www.100test.com
