Beijing this spring. We had to stay at home during those days. I learned my subjects from Classroom on the Air on TV. I started to learn by myself. Every day I studied my new lessons on textbooks in the morning and did my homework in the afternoon. When I had some difficulties in study, I asked teachers for help through

telephone or the Internet. After those days I know it is important to learn how to study. I should work harder than before. 今年春天北京出现了非典型肺炎，在那段时间里我们不得不呆在家里。

我通过收看电视中的“空中课堂”学习。我开始自学。每天我上午学书中的新知识，下午做作业。当我在学习中遇到困难时，我打电话或上网向老师求助。经过那段时间我懂得了学会怎样学习是很重要的。今后我应该比以前更加努力学习。

I know it is important to learn how to study after I met with SARS. SARS broke out in Beijing this spring. Our life was disturbed and we had to stay at home during those days. I could not go to school to learn my subjects and I began to learn them by myself. I watched Classroom on the Air on TV. I telephoned my teachers for help or asked for help through Internet when I had some difficulties in study.

I think I should work harder than before. 在我经历了非典型肺炎后，我知道学会怎样学习是非常重要的。今年春天北京出现了非典型肺炎。我们的生活被打乱了，在那段时间里我们不得不呆在家里。 ，我不能到学校去学习，于是我开始自学。

我收看电视中的“空中课堂”。当我在学习中遇到困难时，我给老师打电话或上网求助。我想我要比以前更加努力学习。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
