A dream is an inexhaustible source of energy that keeps our enthusiasm burning, and kindles our desire to enhance our spiritual cultivation, refine our character, and upgrade our quality of life. A life without a dream is like a bird with broken wings, confined to a cage and oblivious of what lies beyond the range of its vision. On the contrary, a man with a dream is like a warrior armed with ambition, foresight and gallantry, daring to step into an unknown domain to make a journey of adventure. It is dream that adds fullness, variety, and spice to our

life and makes it worth living. I have a dream. It is a dream that is deeply rooted in human nature. I dream that one day people of all origins can live in harmony and peace without being discriminated against or persecuted. The bounty of the earth can be shared by every single human being. Mutual respect will guarantee the existence and continuation of the diversity of customs and cultures. Love, sympathy, and cooperation will alleviate the sufferings and disasters inflicted upon our fellow men. Respect for basic human rights will put an end to social injustices and evils. When my dream comes true, all men will be truly equal, happy, and free. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
