The elephant is the second tallest animal in the world. Elephants are the only animals that have a long nose that is called a trunk. They can use the trunk like a hand. With its trunk , an elephant can pick up a 270kg tree, or pick up one peanut. Elephants have the biggest ears of all the animals. Their tusks are the biggest teeth. 100Test 下载频道开通 ， 各类考试题目直接下载。 详细请访问 www.100test.com
