Goal! Lets all have a goal for our English!进球了！为足球大声朗读起来！

First One: kick off At the beginning of the game two players from one of the competing teams face off in the middle of the field and maneuver for the ball. This term is also used for the beginning of an American football match. 在比赛开始时，竞赛双方之一的两名队员面对面站在场地中央然后开球。在美国橄榄球联赛开赛时，也可以用这个短语。

Second One: to steal the ball Taking the ball away from someone on the other team is called stealing the ball. This term can be used for soccer, football, basketball and other similar sports. The referee wont fine you for stealing in this case. 把球从对方球队的某人脚下截得叫做断球。这个词可以用在足球，橄榄球，篮球和其它类似运动上。这种情况下，裁判员不会判你犯规。

Third One: penalty kick Any time one team is allowed to kick the ball without the other team interfering. This usually occurs when a member of the opposing team breaks the rules. 无论什么时候某队被允许在不受对方干扰下踢球都叫罚点球。这通常发生在对方队员犯规的情况下。

Fourth One: spot kick When the defensive team breaks the rules and prevents the offensive team from making a goal, the offensive team is sometimes given a penalty kick. A great opportunity to score which often wins the game! 当防守队用犯规阻止进攻方进球，进攻方有时会罚点球。通常是赢得比赛的得分好机会！
