To begin with, English is becoming increasingly popular in the world, which is widely used in all fields such as teaching, translation, and foreign trade and so on. What ' s more, it goes without saying that graduates from English major are more likely to find a good job in the tighter and tighter job market. In order to study at English Department, you have to meet the following requirements. In the first place, you have to spend a lot of time on it, just as the old saying goes, “ Practice makes perfect ” . In the second place, the basic skills of reading, writing, listening and speaking are of great importance, because they are the foundations for your future study. Last but not least, you need an intense interest in learning English since “ interest is the best teacher ” . As far as the preparation work is concerned, you should first of all review all the required vocabulary. In addition, you ' d better spend some time on reading and writing. Only through these measures can you hope to
