For example, some businessmen sell fake product to their consumers. some students cheat in the exams. Dishonest people are short-sighted. Those who sell fake products may make money at first, but consumers won't buy their products any more. As a result, they will lose their fortune or even be sent to prison. By contrast, honest people gain a lot. Those who always tell truth or keep to their promise not only let others trust them but gain respect from other people as well. Such persons are sure to have a lot of good friends. Because they are trustable and respectable, everyone is eager to make friends with them, Besides, it is easier for a person with a good record to get a good job.
