Customs officers at a London airport yesterday found 500,000 pounds worth of drugs which were being smuggled (走私) into Britain in boxes marked "Urgent Medical Supplies." The_71_might have suspected for some time_72_drugs were being brought into the country in this way. The_73_is believed to be the work of a_74_international group. Four men were arrested at_75_airport and help for questioning,_76_it is unlikely that they are the organizers. In_77_they declared that they were_78_of what the boxes contained and_79_acted in good faith in bringing 80 into Britain. This is the third time_81_six months that attempts have been made to smuggle_82_goods through Customs by declaring them to_83_medical supplies. They are frequently_84_in special containers and a_85_is given that they may be_86_if they are not handled with care. "_87_are determined to put a_88_to this practice," said one of the Customs officers today. "_89 is no way these people are going to get away 90 this any longer. We have the full co-operation of the international police who are as anxious as we are to track down the main source of supply." 71. (A) authorities (B) commanders (C) leaders (D) directors 72. (A) what (B) that (C) although (D) when 73. (A) operation (B) behavior (C) movement (D) development 74. (A) well-constructed (B) well-designed (C) well-composed (D) well-organized 75.
