I graduated two years from \*\* University, and obtained a bachelor's degree in the field of business management. During my stay in the university my major courses included macro-economics, business communication skills marketing and computer applications. I was especially fond of the communication skills which enabled me to deal with people and thing around well. Upon graduation I engaged with HP China Branch as an assistant to the head of Marketing Department. My responsibilities consisted of

carrying out market surveys, writing reports and organizing meetings within the department. This is two-year experience has helped me a lot in many ways. In particular, I become increasingly aware of the importance of co-ordination and co-operation among co-workers. I also believe the experience will qualify me for the current vacancy in your company. I passed CET-6 with high marks. My spoken English is also fluent enough to organize meetings in English , which was actually my routine work in HP. Most of my market reports were presented in English , as my former boss is a native English speaker. I enclose herein my resume and some relevant documents as required. And if you need any further information on me, I also refer you to Mr.Johnson, my ex-colleague, who is available at 021-66668888. I appreciate your sincere consideration of me, and am looking forward to an early interview with you. Sincerely yours, Wang Peng
