After they complete their university studies, some students prefer to live in their hometowns while others choose to live in different towns or cities. Everybody has his own reasons for his preference. After my graduation, I will go back and live in my home city. I have made this decision because of the following reasons. Firstly, my home city is a big city that can offer a lot. There are plenty of opportunities for work, many big libraries for studies, several different museums for visit, and numerous cinemas, theaters and centers for entertainment. When I go back there, I will have no difficulty in finding a job suitable for me and I can make use of all the facilities available there.

only child and they are now weak and getting on in age. If I live in the same city with them, I can visit them very often and help them whenever it is necessary. Thirdly, if I live in my home city, I will have a lot of friends, schoolmates and relatives to visit and to turn to for help when I need. Of course, I could get acquainted with many people and make many friends if I were to go to live in a strange place, but that takes time. If I go back to my home city, everybody will be waiting for me and I will be able to settle down comfortably without any trouble and waste of time. In short, my choice is based on a careful consideration of my home city and my family. I think it is a better or sensible choice. in a certain sense, it is a must. 范文写法说明:来源:考试大 文章的观点是毕业后回家乡,在第一段表明.这样开头,属演绎法的基本手法,下文必须是理由,直至结尾.为了清楚明了,文章分别用了四个逻辑词firstly,secondly,thirdly and inshort 引导各段. 第一段 引出主题,表明意向 第二段 家乡是大城市及其优点来源:考试大 第三段 父母年迈体弱,自己是独生子女 第四段 归纳和进一步说明 100Test 下载频道开通, 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
