Besides that, our students would appreciate it if you could give them a lecture, in which you may introduce something about the American culture as well as the life of American university students. After the basketball match and lecture, I will show you around the city and take you to dinner with typical Chinese food. What do you think of the arrangement? If you have any suggestions or problems, please do not hesitate to contact me. Again, you and your team are warmly welcome here. I ’ m looking forward to your reply. Yours sincerely,

Yours Li Ming 试卷(三)Dear President of IOC, How do you do? As we all

know, the 29th Olympic Games is going to be held in Beijing in 2008. Now the selection for its mascot has begun. I, a Chinese ordinary middle school student, want to recommend a kind of special animal to you---the Tibetan antelope. First, the Tibetan antelope is mild and friendly, which I think could symbolize peace of the world and friendship among people of different countries. Second, this kind of animal not only can endure extremely low temperature, but also can run very fast. These characteristics also symbolize the spirit of the Olympic Games--- “ FASTER, HIGHER, AND STRONGER ” . Therefore, I think it is the suitable mascot for the 29th Olympic Games. Could you please consider my recommendation? If you want to know more about the Tibetan antelope, please do not hesitate to contact me. I also have some pictures of them. I can send them to you next time. Thanks very much!Yours sincerely, Li Ming
