世界上最完美的对话之一

G: Jack, would you please read this letter of application Ive just written? Id like to have your opinion.J: Id be glad to tell you what I think.G: If you dont think its any good, please say so. I really want to get this job.J: It looks fine to me. But I have one suggestion.G: Good! Im interested in your advice.J: If I were you Id change the beginning. You should write about your education first.G: Good idea, Jack.

What do you think about the second part?J: Now that youve asked me, I think its too short. You should include much more information about your work experience.G: Youre right. Ill change it. How do you feel about the last part of the letter?J: Very good. But, unless I miss my guess, you should say something about your family, too.G: I agree. I appreciate your helping me, Jack. Do you think the end is all right?J: Oh, yes, George. But personally I believe a business letter should end with "Very truly yours", not "Sincerely".G: I guess Id better tear up the letter and start over again.J: Oh, dont do that, George! Just make the few changes I suggested, and your letter will be perfect!
