61-65 ABCGD

66. Dear Dr. Wu, I have read the announcement in the newspaper that the University of Science and Technology of China is providing a scholarship in chemistry for the students. And I would like to apply for the scholarship. I received my MS degree in chemistry last year, and graduated with honors. I have worked as an

assistant in the department of Chemistry on my university for two semesters. And in this letter I enclose my resume and a recommendation letter from my professor. I wish to have a personal interview with you at your earliest convenience. Yours sincerely,  
Wang Lin 67.

**Cell Phone** The brave new world of cell phones has finally arrived in China. The light weight, pocket-sized cell phones make our life more convenient, efficient and colorful. So nowadays there are more and more people liking to use them. Firstly, cell phones can facilitate communications. It is very convenient for us to get in touch people with cell phones. Wherever we are, if we want to talk to people, the only thing we need to do is to pick up a cell phone. Secondly, cell phones can make the businessmen work more efficient. Some smart cell phones have the capacity of the computers. they can store and run simple programs. With the aid of GPRS, people also can send or receive e-mail via cell phones. Lastly, we can entertain ourselves with cell phone. When you are bored, you can play the built-in java games, listen to radio or record a short video with your cell phone. I think cell phone plays an important part in our daily life. I wish with the help of cell phones our future life would be more convenient and beautiful.
