A: Are you a student leader at college? B: Yes. Ive served as the monitor of our class for two years.
A: Have you got any honors or rewards in your university days? B: Yes. Ive been on the honor roll for three academic years.
A: Have you been involved in any extracurricular activities at college? B: Yes. Ive been on the college basketball team.
A: What sports do you usually take part in at college? B: I sometimes play table tennis and sometimes play basketball.
A: Is there anything you regret not having done or would like to have done differently at college? B: Ive spent so much time on club activities during the four years. However, Ive never missed any of my classes. But I think my academic records would have been much better if I had put more time and energy into studying, looking back on it.
A: Is there any teacher who impresses you very deeply during your student life? B: Yes. Our maths professor has left a deep impression on me. In class, he is responsible in teaching and very strict with us students. But out of class, he treats us on his own sons and daughters. We all like him very much.
About your college and Specialty
A: What university do you attend? B: I attend Zhongshan University.
A: When will you graduate from the university? B: I will graduate this coming July.
A: Are you going to receive any degree? B: Yes, I will receive a degree of Bachelor of Business Administration.
A: Please tell me about the courses youve completed at university. B: Ive

completed Marketing Principles, Sales Management, Distribution Theory, Economics, Accounting, Statistics, Psychology, Business English and so on. A: What is your favorite course? B: My favorite course is Cost Accounting. About your reasons for application A: Why are you interested in working with this company? B: I am interested in working with your company because I know yours is one of the largest computer companies in our country (province, city) . My major in the university is computer programming, so I wish to have the opportunity to apply my knowledge here. A: Do you choose this company on account of high pay (or remuneration) ? B: No, not only for high pay (remuneration) , but also for a good working environment. As far as I know, working in a Sino-foreign joint venture calls for punctuality and responsibility. It is such a working environment that I am looking for. A: Have you applied for a similar post to any other company? B: Yes, I've also applied to Global Huada Company Ltd. a Sino-American joint venture, in case I may not be accepted here. A: What is the result of your application to that company? B: They've turned me down. A: What's the reason why you failed to get the post? B: My domicile isn't in this city and they needed a local resident. That's the sole reason for my failure to get the post. A: If you are employed by both companies, whose offer will you accept? B: Needless to say, my first choice is your company.
