High school students should study general subjects before they are 17 years old, to study specialist subjects before that age is too early for them. Agree or disagree * Task 2people use computer in shop,bank...without leaving home.someone think it is danger because it may make people isolate and lose the social skills to live with others.to what extend do you agree or disagree this opinion? 应该给小孩子适当的惩罚,你多大程度上同意.这么老的题目还考,真不知道他们是怎么想的 100Test 下载频道开通,各类考试题目直接下载。详细请访问 www.100test.com
