考官是叫JV还是JC的，看起来好象20来岁左右，一开始就问了我的full name,而我是什么专业，以后的打算如何根本没问，接着马上就开始题目轰炸了。先是问whats your hometown? do you like it? why?接着do you like to learn new things? what new things have you learned resently? what age is the best to learn new things?do you think teacher is necessary in helping you learning new things?然后是whats the festival chinese like most,why?接着给了我一个关于film的话题，然后要我回答which kind of film you like best?whats the feature of this kind of film?Do many people change their taste of film when they get older?后面还有一点我忘了，但基本就这么多了。我感觉他在不断地转换话题防止考生recite.他很帅，我也很帅，他会不会妒忌我而给我打低分就不知道了，hoho..OK,thats all. ----- 来源:【100test社区】.
