Are most schools coeducational in your country? Are there any subjects/classes you wanted to study but they werent available at your school/college? Are there good universities in your country? Which ones? Are women encouraged to pursue education? Do you have difficulty with school work? Do you think teachers are paid enough? Do you think your school is a good one? Why/why not? Do you think your teachers give too much homework? How long must you go to university to get a degree? How much is too much homework? How should the homework load be managed? If you have not attended university, do you plan on doing so? Is it difficult for people without a university education to get good jobs where you live? What are some important factors in determining which university to attend? What are the qualities of a good student? What are the qualities of a good teacher? What is the average age of a high school graduate? What is your favorite class? What was (or is) your favorite subject? Why do you like it? Who 0selects the university you will attend -- you or your parents? Why are you studying a foreign language? Why do you think people become teachers? Why is it helpful to learn a second language? Why is it sometimes very difficult to speak another language? Would you consider studying abroad? If so, why? 百考试题网原创作品，转载请注明作者和出
