156. What would you do if you had a noisy neighbor? (5 - 8) There are several options. Firstly, I would go and speak to him, and ask him if he could reduce the noise, or at least limit it to reasonable hours. If that does not help, I would report him to the authorities. And lastly, if that does not have the desired effect, I will start making a louder noise at times when I know it would trouble him.

157. Do you know what to do in the case of an emergency? (5 - 8) That ' s an interesting question. Firstly, it will depend on the nature of the emergency. For example, should I come across a serious road accident, I would call the emergency number on my mobile phone, and ask them to send the necessary help like a doctor and an ambulance immediately. Secondly it would depend on where the emergency occurred. For example, if I found a fire in my house, I will initially try to extinguish it myself. If this seems in vain I will call the fire station for assistance.

158. What are the most serious problems associated with modern life? (5 - 8) That ' s an interesting question. Allow me to explain my personal views by shortly mentioning the following points: I feel that there are a number of serious problems associated with modern life. Firstly, pollution is slowly but surely killing the whole planet Earth. For example, air pollution is making it more and more difficult for people to live in our cities. Secondly,

overpopulation is making life on the planet unbearable. For example, in many parts of the world people are living in poverty. They have no future, and the quality of life they are experiencing is terrible. 159.

What troubles you most at the moment? (5 - 8) I am pleased to say that I do not have any serious troubles or worries at the moment.

Passing the IELTS test is working on my nerves a bit, but I am progressing well, and I am positive that I will be successful in the end.

160. What do you think a good teacher is like? (5 - 8) That ' s an interesting question. Allow me to explain my personal views by shortly mentioning the following points: Firstly, I believe teachers must love what they are doing. For example, they should have the interests of the students in their minds all of the time. Secondly, I believe teachers should be well trained in the subjects that they are to present to the students. For instance, they should have a lot of self-confidence when they are in front of the class. 100Test 下载频道 开通 , 各类考试题目直接下载。详细请访问 www.100test.com
