106. What will your main problem be when studying abroad? (5 - 8)

106. What problems do you think you will have to face abroad? (5 - 8)

That ' s an interesting question. Allow me to explain my personal views by shortly mentioning the following points: Firstly, the differences in the cultures will be a shock to me. I have heard that it is called the ' culture shock ' . For example, the people, language, food, and even the weather will be completely different from what I am used to.

107. How will you overcome problems abroad? (5 - 8)

That ' s a good question, which I must admit, I haven ' t given much thought yet. Allow me to explain myself/my personal views by shortly mentioning the following points: Firstly, I hope I will get some help from my fellow students. For example, the person who I am sharing my room with is studying the same major as me. I am sure we will be able to tackle some problems together.

108. What kind of differences in culture do you expect abroad? (5 - 8)

That ' s an interesting question. Allow me to explain my personal views by shortly mentioning the following points: Firstly, the food will be different. For example, I don ' t think I will be able to find dumplings on the menu. Secondly, many of the customs will be strange to me. To be more specific, in the west there are other festivals that are important to the local people. I would have to study the history behind these

festivals in order to understand why they are important there.109. What places would you like to see in the country you are going to? (5 - 8)That ' s an interesting question, which I must admit, I haven ' t given much thought yet. Allow me to explain myself by shortly mentioning the following points: First of all I would not be visiting to much in the beginning. I will be concentrating on my studies. Later, However, I would like to visit as many of the cities as possible. For example, those cities, which have many historical places.110. Do you want to immigrate? Why? (5 - 8)Yes, I want to immigrate. As to the reasons why I would want to immigrate, I feel I have a better future in a foreign country. For example, there are many countries in the world that are not as heavily overpopulated as China.111. What will you do should you become ill abroad? (5 - 8)That ' s an interesting question, which I must admit, I haven ' t given much thought yet. Allow me to explain myself by shortly mentioning the following points: The most obvious answer I suppose is that I will go and see a doctor to find out exactly what is wrong with me.112. What do you know about the country you are going to? (5 - 8)I ' m afraid at the present moment I don ' t know much about the country. I will have to do some reading about it before I leave. Firstly, I would like to know more about the culture of the people. For example, what do they eat, what they do in their free time, and so on.e) CAREER113. What do you intend doing after graduating? (5 - 8)That ' s an interesting question, which I must admit, I haven ' t given much thought yet. Allow me to explain myself/my personal views by shortly mentioning the following points: Firstly, I would want to tour

the world. For example, I would like to go to America. Then I suppose I would come back to China and find a job as soon as possible.114. What problems do you foresee when returning to China? (5 - 8)One of the aspects I could tell you about regarding this topic is that I do not foresee many problems. For example, I will be returning to my hometown where I still have many friends and family. I am sure that they will assist me in getting settled down again.115. Have you ever thought of starting your own business in China? If so what will it be? (5 - 8)Yes, I have given it some thought. I would like to start a restaurant. There are several reasons as for why I would like to start a restaurant. Allow me to explain by mentioning some of the reasons briefly. Firstly, I like people. For example, I would love to be of service to people. Secondly, I like cooking. I am sure that I would want to try all sorts of dishes to present to my customers. Lastly, I don ' t like working for a boss. What I mean to say is that I want to be independent and make my own decisions.116. Would you like to open a business abroad? (5 - 8)Yes, I would like to start my own business abroad. There are several reasons for this. Allow me to explain by mentioning some of them briefly. Firstly, I believe that if you are working for someone else, you are assisting that person in progressing. What I mean is that abroad there are many opportunities for someone with ambition like me. Secondly, I believe that I have very special talents that I can use better abroad. For example 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 www.100test.com
